El Sol Science and Arts Academy acknowledges the need to provide healthy food to grow strong bodies and minds and to promote academic success.

School Breakfast and Lunch

El Sol Science and Arts Academy is required to follow the federal student breakfast and lunch guidelines listed in Appendix A & Appendix B.

Program operators of the National School Lunch Program (NSLP) are required to use meal patterns and dietary specifications established by U.S. Department of Agriculture to develop menus and serve meals to students (see appendix C)

- Serves cultural favorites
- Introduces students to a wide variety of foods

- Parents will decide whether their student will consume the SAS meal for the day **OR** send them to school with a packed lunch.
- Students will be able to eat only ONE lunch to discourage overeating, either the SAS meal or their lunch from home.

- ✓ Milk: white or chocolate (skim, 1%, 2%)
- ✓ 100% Juice products (plain or carbonated)

- Monthly birthday celebrations will take place in each classroom.

 - Teachers may need to have parents sign up in advance to limit the number of sweet items chosen.
- Parents may bring in sweet items if they are of a small serving size and follow the “two bite” rule.

The “two bite rule” means that the portions of sweets are small enough that they may be consumed in approximately 2 bites of them.

The faculty should also avoid the use of non-nutritious food as a reward in the classroom for the student’s accomplishments.
